Track 3.4

Read the conversation. Then, answer the questions given.

Salesperson : Are you looking for something in particular?

Shopper : Yes. I'm looking for a pair of jeans.

Salesperson : Come with me, please. Would you be interested in this pair of jeans?

We are giving a discount of 70% for each pair.

Shopper : If I were to buy two pairs, I will get the discount for each pair?

Salesperson : Yes, sir. That's right.

Shopper : I like it. I'll take two pairs, please.

Salesperson : That'll be fine, sir. Let me find another pair for you. (*A short while later*)

I'm sorry, sir. That's the last one.

Shopper : Oh. But, this pair isn't my size.
