

## Love For The Country – Heritage

### Instructions:

- Divide yourselves into groups.
- Malaysia is a country rich in natural resources, beautiful scenery and bountiful jungles.
- Discuss among your group members:
  - How to protect these natural resources, beautiful scenery and bountiful jungles?
  - How you can carry out your responsibility as a citizen in protecting these heritages in Malaysia?
  - Show the dire consequences if these heritages are not protected.
  - Start by choosing a topic, it can be deforestation, pollution or anything that can be a threat to these heritages.
- Write your presentation on pieces of mah-jong paper.
- Use thinking maps to emphasise your points in your presentation.
- Present it to the class.
